

Welcome to Visit Magtech Magnets!

NINGBO JIANGBEI MAGTECH MAGNETS FACTORY

MTMTM MAGTECH MAGNETS

Factory Profile

Founded in 2000, Ningbo Jiangbei Magtech Magnets Factory is located in Ningbo City and very close to Port of Beilun. We are devotedly specialized in producing lifting magnet and magnetic lifter for 12 years. MAGTECH has grown into one of the most reliable and noted brands in the field of lifting magnet.

Our factory covers an area of 6,000 square meters and owns over 300 sets of precision production facilities and testing equipments. These production facilities cover CNC Lathes, drilling machine, boring machine, hydraulic press&magnetic force testing equipment, and so on. Moreover, more than 10 R&D engineers and 200 experienced workers' great efforts guarantee that we keep ahead in the field of lifting magnet.

our rare earth lifting magnet is applied in many places like factories, docks, machine works, mold factories, foundries, forging plants, shipyards, steel works, construction site, warehouse, lifting truck etc. Our lifting magnet has been exported into Europe, USA, South Africa, North America, South America and Asia. For more information about our factory and products, please do not hesitate to contact us at sales@Magtech-PMLI.com or visit our website www.Magtech-PML.com.

We are always here waiting to serve and support you in any project. We don't claim to be the first company to build lifting magnet&magnetic lifter. But we do claim that our product is built for long lasting durability, and we guarantee good service, quick delivery, and quality product. This is why we're here today and here to stay.

Product Applications

NdFeB Permanent Lifting Magnet/Permanent Magnetic Lifter are widely used for the lifting&moving of flat or round steel objects manually.

NdFeB Permanent Lifting Magnet/Permanent Magnetic Lifter are applied in many places like **various factories, machine works, mold factories, foundries, forging plants, shipyards, steel works, construction site, warehouse, lifting truck, docks** etc.

Application Demonstration

Products Series

Features of Permanent Lifting Magnets/Magnetic Lifters

- 100% Rare earth(NdFeb)
- CE Certificate
- Permanent magnetic attraction
- Maintenance cost with zero running cost
- Long lasting& durable working performance
- Energy-saving&labor-saving
- Good&stable quality for easy&safe operation
- 7 types of magnetic lifters for your option

MAGTECH MAGNETS SUPPLIES

MTM-B Series permanent lifting magnets

MTM-A Series permanent magnetic lifters

MTM-D1 Series manhole cover magnetic lifts

MTM-D2 Series Magnetic Manhole Cover Lift

MTM-C Series Permanent magnet lifters

MTM-E Series Permanent holding magnets

MTM-F Series Handheld Magnetic Lifter

PML Series double magnetic circuit lift

AML Series automatic permanent lifting magnets

MTM-M Series multi magnetic circuit lifter

MTM-H Series magnetic hook/magnetic holder/magnetic hanger

Quality Control

1. From materials purchasing, machining, assembling, lifting force inspection, painting to packing, each working process is done by ourselves. Each stricter inspection is also done by ourselves.
2. CE Certificate
3. Each lifting magnet is shipped out after the testing of magnetic attraction is tested&inspected to be ok.

Thanks for Your Attention!

Company: **Ningbo Jiangbei Magtech Magnets Factory**
